PUBLIC SAFETY ADVISORY TEAM

DESIGNING STRATEGIC SOLUTIONS
TO NAVIGATE THE PUBLIC SAFETY
SECTOR ON A GLOBAL SCALE

V2 Global has assembled top experts in **law enforcement** and **government affairs** who provide comprehensive guidance to the profession. These senior leaders assist in navigating the world of public safety including emerging technologies and state of art solutions.

The team has successfully partnered with private sector technology platforms tailored for law enforcement solutions that have enhanced the policing profession, as well as guide those companies seeking to **enter** the **law enforcement market**.

Entry into the law enforcement market is accomplished through a strategic process that has been designed by our executives who have **decades of experience** in internal operations and the understanding of the impact of cutting-edge technology for policing.
